Heard the learned counsel for the parties.

The learned trial judge has considered the entire evidence on record and has come to the conclusion that the operation performed by the accused was necessary to remove the dead foetus. There is also evidence of another doctor who says that removal of the dead foetus was necessary medically. She has also deposed that removal of foetus was also necessary for

the well being of the patient. In such circumstances we see no reason to interfere in this application. Application is rejected.
